*American Education Week*

November 1, 2009

Dear Primrose Parents:

Primrose parents are a big part of the education of each child. In addition to the daily exercise of preparing children for the school day, we value your participation as classroom volunteers, field trip chaperones, and as resourceful fund-raisers.

You are welcome to visit your child's classroom next week during American Education Week. Visits are 45 minutes in length, except in Kindergarten.

- Please make sure to come during your assigned times. If at all possible, please arrive on time. We understand that you may need to leave before the 45 minute period.
- Sign in at the table in the foyer. You do not have to sign out.
- Do not include younger siblings in your visit.
- Please follow teacher lead as far as your participation. At times you might be directed to observe; while you might participate at other times.
