---

October 28, 2009

Dear Parents:

Primrose Hill School was selected at random to hold their H1N1 flu vaccination clinic on Monday, November 2, 2009 from 4:00 to 8:00. This vaccination is offered *only* to Primrose Hill School students who are in Kindergarten or Grades 1-3, not preschoolers at Primrose or family members at other schools. There will be additional clinic dates for students at other schools. There is no make-up clinic for the children who can't be here on Monday evening.

Your child cannot receive this free vaccination in a school without a signed and dated consent form. If you haven't done so yet, a form can be downloaded from the Barrington Public School website [www.barringtonschools.org](http://www.barringtonschools.org) or from the Rhode Island Dept. of Health website at <http://www.health.ri.gov>. This website also gives other pertinent information regarding the flu. Since time is approaching quickly, please do not wait. If you need a form and do not have access to the Internet, please pick one up at the PHS office. Send your form back to school as we will be submitting a final count on Thursday, October 29, 2009.

Because of logistics I will ask that you follow this schedule for arriving at the school for the flu shot.

If your last name begins.....

A-D	Please arrive at 3:45
E-L	Please arrive at 4:45
M-P	Please arrive at 5:30
Q-Z	Please arrive at 6:30

We are expecting many cars in the parking lot, so please be careful as you enter and exit so others can safely arrive and depart. Additional cars can be parked at Barrington Christian Academy.

Enter the front door and come to the tables in the foyer. Our staff will be there to assist you and you will be given further directions.

Thanking you in advance for your cooperation.

Paula Montesi  
Principal
